

# Creating Re-entry Care Packages

## Purchase or collect items for packages

This is a great opportunity to engage your friends, neighbors, classmates, etc. in putting together care packages.

### Items that we're looking for\*

- Backpacks
- Warm blankets (twin size or up)
- New socks for men and women
- Hygiene products like shampoo, deodorant, hair brushes, toothbrushes & toothpaste, soap, & lotion
- Laundry detergent
- Gift cards in \$10 or \$20 increments to places like Fred Meyer, Safeway, Starbucks, and Target
- Disinfectant wipes & hand sanitizer
- Bath towels

**\*All items must be new & unopened.**

## Put the care packages together

- Each care package should have 5-6 items
- You can put care package items in backpacks. Or, you can put everything in a fun (but neutral) gift wrap bag. The Dollar Tree has a great selection of bags that work well for this.
- Coordinate with our team to have the care packages picked up. Email Lindsay at [lindsay@theinsightalliance.org](mailto:lindsay@theinsightalliance.org) or call 503-342-8084.
